Winston Salem Journal

Classroom Newspaper Request

For Kindergarten through 2nd grade

Introducing little ones to newspapers one time per month

Me Collages: Take paper plates (but you could use posters, construction paper, etc) and in the middle write, "Who I am Makes a Difference" and leave a blank for students names. Then instruct them to go through the newspaper and cut out words and pictures that reflect them and their interests. Then they can paste the pictures and words on the paper plats (or paper) and have a collage all about themselves.

For **K-2nd grade teachers**, Introduce your students to newspapers one time per month by receiving the W-S Journal the first Wednesday of each month.
